IAS STAFF MEETING MINUTES

10 March 1972

PRESENT:

1. Mr. Stoertz presented  (SB/IAS) with a certificate and monetary award for his suggestion on modification of light tables.

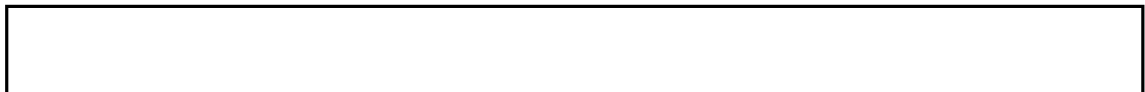

2. Mr. Stoertz reported on the DDI Executive Council meetings he attended at Headquarters this week.

a. The recent press reports alleging CIA involvement in assassinations was discussed and people are reminded that CIA is not involved in any such activities. (A recent publication, "Facts About CIA" has been distributed to the Divisions in a limited number of copies and Support Branch has been requested to obtain enough copies that each person in IAS may have one. The booklet contains information that CIA employees may use in discussing the Agency and its policies.)

b. A DDI production report on the USSR and East Europe was reviewed today.

c. General Walters' arrival has been delayed and he is expected to report as the new DDCI sometime next week.

d. Mr. Duckett (DDS&T) has recovered sufficiently to return to work next week.

b. Mr. Wattles has asked that personnel be reminded of the many good insurance programs available through the Agency. (IAS personnel wishing more information on insurance programs should contact NPIC Support.)

c. The "Career Achievement Medal" has been approved in theory by the DCI. This medal will rank between the Intelligence Medal of Merit and the Certificate of Achievement.

25X1A

10. [redacted] reported on the current status of the cleaning question. Because of reductions in GSA budget and the already unsatisfactory cleaning service [redacted] NPIC is considering discontinuing the use of the [redacted] IAS is considering an alternative: continuing the char force weekly for floor cleaning only, with employees to maintain their own areas in other respects, including trash. IAS personnel will have an opportunity to consider this matter before any final action is taken.
